<p>Weekly Activities (Complete at least one!)</p> <p>1. Think about two or three animals that represent you (for example, I like to sing like a bird, and I am tall like a giraffe). Then, combine those animals to create a hybrid (a totally new creature)!</p> <p>2. Follow along with a new YouTube series, <i>Lunch Doodles with Mo Willems!</i>, creator of <i>Don't Let the Pigeon Drive the Bus!</i> and the <i>Elephant and Piggie</i> series. https://tinyurl.com/wguzvcj</p> <p>3. We are all stuck at home right now, but that doesn't mean we can't be creative! The painter Henri Matisse got sick when he got older and couldn't leave his bed. He couldn't paint anymore. So instead, he created collages!</p> <div style="text-align: center;">  <p><i>The Sheaf, 1953</i></p> </div> <p>To create a <u>collage</u>, cut or tear paper (construction paper, magazines, newspaper, junk mail, any paper that your family says is ok to use!) to create a new picture! You can glue it down to a background paper, or take a picture instead.</p> <p>*Chess- remember that you can still play chess on the LaunchPad app, ChessKid!*</p>	<p>Weekly Activities</p> <ul style="list-style-type: none"> Clap along to the videos! Rhythm Reading Video 1 Rhythm Reading Video 2 Rhythm Reading Video 3 For extra fun, teach a family member how to do this too. Create a rhythm on paper using the notes you already know and make sure to use quarter notes (Ta), half notes (Tah-Ah) and whole notes (Tah-ah-ah-ah). Practice these in front of your family. For extra fun, record yourself and send it to Ms. Harmon on Canvas! Watch the Brain Pop about the composer Beethoven, do the vocabulary, and take the quiz assigned to you! See how music affects a story. Watch the Award Winning Short Film "Hair Love" and respond in the assignment on Canvas about how the music affects the story. Spotlight on Music Lesson - Create with Pitches & Rhythms Grade 5 -> Section 2 -> Unit 1 -> Lesson 3 <i>Detailed instructions on Canvas! Make sure your pop-up blocker is off.</i> <div style="text-align: center;">  </div>	<p>Weekly Activities</p> <ol style="list-style-type: none"> Fitness Workout PE at Home Game Yoga <div style="text-align: center;">  </div>	<p>Weekly Activities</p> <ul style="list-style-type: none"> Read a book you like! Go to Launch.ocps.net to take an AR quiz, just like you would at school. Take a picture of yourself reading and share it! And, like I ALWAYS say - DON'T FORGET TO READ! <div style="text-align: center;">   </div>	<p>Weekly Activities</p> <ul style="list-style-type: none"> Pick a place in your home that feels safe and peaceful to you. Tell a family member why that spot feels safe and peaceful to you. Journal, draw or talk to a family member about how you are feeling today. Pick one act of kindness to share with a family member today. (smile, give someone a compliment, help someone with a chore) Identify and share with a family member one act of kindness that someone did for you, that you heard/saw someone do for someone else or that you yourself did. <div style="text-align: center;">  </div>

More information, specific assignments, and additional activities can be found on the Canvas webpage for each of these classes. The activities are short and can be done in any order throughout the week. Please contact the assigned teacher if you have specific questions.
