

# VPK activity list for the week of April 13:

Please complete each activity and either email or classdojo the results. **This**

Day	Monday	Tuesday	Wednesday	Thursday	Friday
Activity	This week is all about bugs! Yay!! So today, draw and write about your favorite type of insect. <b>*Class meeting to check in with everyone! There may be a special guest to talk about bugs!</b>	Math time! Draw a ladybug, and put her spots on her back. Count how many spots you gave her, and write it under your picture.	Today we are reading a book about butterflies. What type of animal changes into a butterfly? We will talk about that too! See if you can draw a picture of the animal that turns into a butterfly, and the butterfly it turns into! <b>* Story Time Class Meeting!</b>	Rhyme time! This week we are learning about insects, so see if you can find things that rhyme with "ant" and "bug"	Draw an insect! In the link section I will add a drawing video for you to watch to learn how to do it 🐜 <b>* Share about your favorite type of insect during our class meeting!</b>
Check-in	Send me a picture of what you find, and I will share 10 of something from my house too!	Send me a picture of what you did, and I will do the same thing!	Send me a picture you draw of the butterfly lifecycle, and I will do the same thing! 🐜	Send me a picture of what you found, and I will do the same!	Send me a picture of it, and I will send you a pic of what I drew!

**week I will be using your answers to the daily activity as our attendance!**

- Scholastic learning at home is a great resource for daily literacy and math activities!
- I will be returning your messages everyday during school hours, so ask any questions you have!

- I will be having 3 video conferences with my little friends this week. I am going to try to read a story for one of them, and the other two can be social. I will make sure Miss C is invited as well (we are both missing the kids like crazy!)
