Day	Monday	Tuesday	Wednesday	Thursday	Friday
Activity	We are still learning about bugs this week! Continue to look at different interesting bugs you like. Use your magnetic letters to write the names of a couple of types of bugs!	Math time! Solve this problem (draw it and show me the answer) A butter fly has 6 legs, and an ant has six legs. If they were hanging out, how many legs would they have all together?	Today we are reading a book about bugs! I will show you how to make a bug with things around the house during story time as well! <b>* Story Time Class Meeting!</b>	Can you draw a spider web? I want to see your best spider webs and a sentence to tell me about them! (I know...spiders are not technically bugs, but I still want to see it!)	Fun Friday!! Today, I want you to pretend to be a bug! What would you eat? How would you move?
Check-in	Send me a picture of what you write with your letters	Send me a picture of the solution to the problem	Send me a picture of the bug you make!	Send me a picture of your spider web!	Send me a picture of you being a type of bug!
