			CAD Ditions School Volunteers	
			School volunteers are extra-special people who are committed to making schools the best they can be. They offer special attention and caring that can inspire students to reach for and realize their dreams.	
This program is a component of the ADDitions program. School volunteers work at the schools of their choice and participate in activities that match their interests, such as as isting teachers in the classroom, designing bulletin boards, working with students, serving as tymputer tutors, working with art classes, or helping out in the office or media center.				
Every chool in the county needs volunteers. From elementary to high schools to alternative and exceptional education centers, educators value the time and special talents of volunteen, and welcome them into the classroom.				
Be a schoo volunteer and help make students' dreams come true.
